INFORMATION DISCLOSURE STATEMENT

Dear Sir:

Applicant submits herewith, at the time of the filing of this application, patents, publications or other information of which he is aware, which he believes may be material to the examination of this application and in respect of which there may be a duty to disclose in accordance with 37 CFR §1.56.

While this Information Disclosure Statement may be "material" pursuant to 37 CFR §1.56, it is not intended to constitute an admission that any patent, publication or other information referred to herein is "prior art" for this invention unless specifically designated as such.

In accordance with 37 CFR §1.97(b), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 CFR §1.56(a) exists.

1. U.S. Patent No. 5,100,127 (Fulton) discloses a single hand stud game in which the player is allowed to increase his wager after he has seen the initial deal of a partial stud hand.

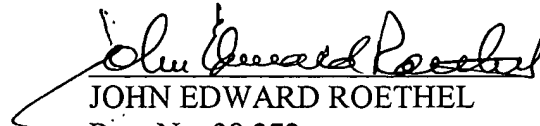

2.. U.S. Patent No. 5,167,413 (Fulton) claims an apparatus used for a single hand stud game in which the player is allowed to increase his wager after he has seen the initial deal of a partial stud hand.

3. U.S. Patent No. 5,288,081 (Breeding) discloses a stud poker game in which the player is allowed to decrease his wager after he has seen the initial deal of a partial hand of cards.

4. U.S. Patent No. 5,417,430 (Breeding) discloses a method of play similar to the 081' patent and including an additional wager for a progressive jackpot feature.

5. U.S. Patent No. 5,544,892 (Breeding) discloses a method of play similar to the 081' patent and including an additional wager for a multi-tiered jackpot feature.

The person making this statement is the attorney who signs below on the basis of the information supplied by the inventor and the information in the attorney's file.
